REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The instant application discloses receiver architecture based on either frequency/phase tracking or oversampling. A search of prior art records has failed to disclose a receiver architecture "wherein said digital averager includes a barrel shifter comprising (i) a finite length; (ii) at least one set of reference points corresponding to the plurality of phases of the multi-phase clock, said at least one set of reference points being disposed along said finite length; and (iii) a movable pointer for selecting one of said reference points in said set of reference points in response to a signal, wherein said movable pointer moves from a current position in said set of reference points to a new position in said set of reference points based on a characteristic of said signal" as disclosed in claims 1 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CONCLUSION

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lawrence B Williams whose telephone number is 571-272-3037. The examiner can normally be reached on Monday-Friday (8:00-5:00).
